

# LISANDRO ZAPATA PATERNINA

Web Developer

zlisandro5@gmail.com    [lisoprogrammer.github.io/portfolio/](https://lisoprogrammer.github.io/portfolio/)

Cartagena, Colombia

---

## PROFESSIONAL PROFILE.

Web developer with experience in medium-complexity projects. Proficient in frontend technologies such as JavaScript/Angular, as well as backend development with PHP. Skilled at working in agile teams and delivering functional products efficiently. Passionate about optimizing and building modern interfaces, clean architecture, and continuous learning.

## SKILLS.

- HTML5, CSS3 and JavaScript.
- Bootstrap and Angular.
- PHP, MySQL, relational databases.
- Version control with Git, Github and GitLab.
- Strong understanding of responsive design and accessibility.

## HIGHLIGHTED PROJECTS.

### Minibanner – Grade Registration and Tracking System.

**Technologies:** Angular, Bootstrap, Chart.js, PHP, HTML, CSS, JavaScript.

Developed a web-based system for subject-based grade registration and visualization.

- Implemented session cookie-based authentication and role-based access control (Teacher / Student).
- Built a responsive interface with Angular and Bootstrap; data visualization using Chart.js.
- Designed a decoupled frontend-backend architecture communicating via HTTP services.
- Repository: [Frontend](#) | [Backend](#)

### Restaurant Order Management System.

**Tecnologies:** PHP, JavaScript, HTML, CSS.

Designed a complete restaurant management application with digital menu, order handling, table assignment, invoicing, and user role management.

- Implemented role-based access control (Customer, Waiter, Kitchen Chief, Cashier, Administrator).
- Focused on a modular architecture with clearly defined responsibility areas.
- Built with pure web technologies without external frameworks.
- Project screenshots available on [LinkedIn](#).

## EDUCATION.

Bachelor's Degree in Systems and Computer Engineering.

**Universidad Tecnológica de Bolívar.**

2022 – Present.

System Technician.

**Servicio Nacional de Aprendizaje SENA.**

2020 – 2021.
